5 Northeast Frontier Railway Stations Receive 'Eat Right Station' Certification

Published On: 25-02-2026

In a major step to promote safe and hygienic food practices for rail passengers, five railway stations under the Northeast Frontier Railway (NFR) zone have been awarded the 'Eat Right Station' certification by the Food Safety and Standards Authority of India (FSSAI).

Stations Awarded the Certification

The following stations received the prestigious certification:

Dimapur Railway Station

Alipurduar Railway Station

Kokrajhar Railway Station

Golakganj Railway Station

New Mal Junction Railway Station

Certification Validity and Process

Dimapur Railway Station has been certified for the period from 24 October 2025 to 23 October 2027 after meeting FSSAI's safety norms.

Plot A P.127, AF block, 6 th street, 11th Main Rd, Shanthi Colony, Anna Nagar, Chennai, Tamil Nadu 600040

Phone: **044 4353 9988 / 98403 94477 / Whatsapp : 09710729833**

The certification follows a comprehensive audit of food stalls, catering units and food handlers at the stations, evaluating hygiene, safe food preparation, storage practices and waste management.

About the 'Eat Right Station' Initiative

The 'Eat Right Station' certification is part of FSSAI's nationwide Eat Right India campaign, aimed at promoting safe, healthy and sustainable food practices at public places including railway stations.

Stations are certified based on strict compliance with food safety guidelines, ensuring nutritious and hygienic food options for passengers.
