6.1 Gogabeel Lake

Location: Bihar

Bihar's Gogabeel Lake has been designated a Ramsar site, marking India's 94th wetland of international importance.

This community-managed oxbow lake, situated between the **Ganga and Mahananda rivers**, highlights India's growing commitment to wetland conservation.

With this addition, Bihar now boasts six Ramsar sites, solidifying India's position as a global leader in protecting these vital ecosystems.

6.2 India-US seals 10 -year defence partnership framework, signal strategic convergence

The announcement was made by US Defence Secretary Pete Hegseth, following a meeting with India's Defence Minister Rajnath Singh in Kuala Lumpur on 31 Oct 2025.
