The 'Ayushman Bhav' campaign, , is a **comprehensive nationwide healthcare initiative.**

It is the initiative by the **Ministry of Health and Family Welfare.**

It aims to **provide saturation coverage of healthcare services**, reaching **every village and town** in the country.

This ground breaking initiative builds upon the success of the Ayushman Bharat program and signifies a paradigm shift in healthcare services.

The campaign, which will be implemented during the 'Seva Pakhwada' from September 17th to October 2nd, 2023, embodies a whole-of-nation and whole-of-society approach.

It unites government sectors, civil society organizations and communities under a common mission to ensure that every individual receives essential health services without any disparity or exclusion.

Its core objective is to extend comprehensive healthcare coverage to every village and town, transcending geographical barriers and ensuring that no one is left behind.

Ayushman Apke Dwar 3.0: This initiative aims to provide Ayushman cards to remaining eligible beneficiaries enrolled under the PM-JAY scheme, ensuring that more individuals have access to essential health services.

Ayushman Melas at HWCs and CHCs: These Melas at Ayushman Bharat- HWCs and CHCs will facilitate the creation of ABHA IDs (Health IDs) and issuance of Ayushman Bharat Cards. They will also offer early diagnosis, comprehensive primary health care services, teleconsultation with specialists, and appropriate referrals.

Ayushman Sabhas: These gatherings in every village and Panchayat will play a pivotal role in distributing Ayushman cards, generating ABHA IDs, and raising awareness about vital health schemes and disease conditions, such as non-communicable diseases, tuberculosis (Nikshay Mitra), sickle cell disease, as well as blood donation
