BHAVYA Portal Launched for ₹33,660-Crore Industrial Park Scheme

Published On: 10-06-2026

The BHAVYA Portal has been launched as a unified digital platform for project submission, evaluation, monitoring and implementation of industrial parks under the Bharat Audyogik Vikas Yojana (BHAVYA).

Highlights:

BHAVYA stands for Bharat Audyogik Vikas Yojana.

The scheme has a total outlay of ₹33,660 crore.

It aims to develop 100 plug-and-play industrial parks across the country.

The BHAVYA Portal serves as a single-window digital platform for project submission, evaluation, monitoring and execution.

The scheme follows a competitive challenge-based model, under which States and Union Territories submit proposals for industrial parks.

Industrial parks will feature plug-and-play infrastructure, enabling industries to begin operations quickly.

Both greenfield and eligible brownfield industrial parks are covered under the scheme.

Land for the parks will be provided by State Governments, while the Centre will support infrastructure and connectivity development.

The scheme is expected to boost manufacturing, attract investments and create large-scale employment opportunities.

The implementation and monitoring of BHAVYA will be led by the National Industrial Corridor Development Corporation (NICDC).

About BHAVYA Scheme:

Approved by the Union Cabinet in March 2026.

Announced in the Union Budget 2026.

Scheme period: FY 2026-27 to FY 2031-32 (6 years).

First phase will take up 50 industrial park projects through competitive selection.

Parks will include facilities for startups, deep-tech firms, R&D centres and innovation-driven enterprises.

Modern testing facilities will be developed in partnership with organizations such as Bureau of Indian Standards (BIS), Export Inspection Agency and Food Safety and Standards Authority of India.

About DPIIT

DPIIT stands for Department for Promotion of Industry and Internal Trade.

It functions under the Ministry of Commerce and Industry.

DPIIT released the operational guidelines for the BHAVYA Scheme.
