# CBFC Launched Multilingual Module on e-Cinepramaan Portal

**Published On: 17-11-2025**

In November 2025, the Central Board of Film Certification (CBFC) launched a **Multi-lingual Module** on the **e-Cinepramaan portal**, aimed to digitize and streamline the film certification process for the Indian film industry.

- The new module is introduced as an optional feature, in addition to the existing process, enabling the applicants to submit films in various languages through a single, unified application, significantly reducing procedural duplication.

## **Key Features:**

**Single Application:** Applicants will be able to upload and submit all language versions simultaneously through the e-Cinepramaan portal.

**Unified Certificate:** Under this module, each film certified for multilingual release will receive a single Multilingual certificate, specifying all languages in which the film has been approved.

**Streamlined Processing:** The applications submitted will be processed by one Regional Office.
