Centre for Innovation in Governance

Published On: 07-08-2024

Context:

A **Centre for Innovation in Governance** has been set up at the **State Planning Commission, Tamilnadu**.

About:

A **first-of-its-kind initiative** in the country, the centre, established by the Tamil Nadu government aims at **fostering an innovative ecosystem** in governance in the State.

It will provide **support to government departments and district administrations** in piloting innovative projects and building capacity in various technologies that would augment effective governance in the State.

The centre aims at establishing a **collaborative platform where industry, academia, government, and innovators** can jointly develop solutions, which would augment public governance in the State.

It can be the key to unlocking new opportunities and maintaining a competitive edge in service delivery.
