Published On: 09-08-2022

To achieve the digital target in the field of education the Govt has introduced various measures to help the students and teachers as well.

DIKSHA is a **unique initiative** which leverages existing highly scalable and flexible digital infrastructures, while **keeping teachers at the center**. It is built considering the **whole teacher's life cycle** - from the time student teachers enroll in Teacher Education Institutes (TEIs) to after they retire as teachers.

DIKSHA is the platform for providing quality e-content for school education in States/UTs and QR coded Energized Textbooks for all grades (one nation, one digital platform).

The Union Ministry of Human Resource and Development (HRD) has launched Diksha Portal (diksha.gov.in) for providing digital platform to teacher to make their lifestyle more digital.

NISHTHA is a capacity building programme for "Improving Quality of School Education through Integrated Teacher Training".

It aims to build competencies among all the teachers and school principals at the elementary stage. **NISHTHA is the world's largest teachers' training programme of its kind.**
