Directorate General of Civil Aviation (DGCA)

Published On: 06-12-2025

Context: IndiGo's mass flight cancellations forced the DGCA to grant a one-time exemption from the new Flight Duty Time Limitations (FDTL) rules, raising questions about the regulator's authority and decision-making process.

Overview

- **Full Name:** Directorate General of Civil Aviation
- **Parent Ministry:** Ministry of Civil Aviation, Government of India
- **Headquarters:** New Delhi
- **Establishment:** 1940 (functions under the **Aircraft Act, 1934** and **Aircraft Rules, 1937**)

Functions of DGCA

1 Regulation and Licensing

Issues **pilot licenses**, **aircraft maintenance engineer licenses**, and **airline operator permits**.

Certifies **aircraft airworthiness** and **maintenance organizations**.

2 Safety Oversight

Enforces **aviation safety standards**, investigates **accidents and incidents**.

Conducts **inspections, audits, and monitoring** of airlines.

3 Air Transport Policy Implementation

Monitors **Scheduled and Non-Scheduled Airline Operations**.

Coordinates with **ICAO** for compliance with international standards.

4 Drone and UAV Regulation

Implements policies under **Civil Aviation Requirements (CAR)** for **drones**, including licensing and safety guidelines.

5 Passenger Rights and Consumer Protection

Enforces **compensation rules** for flight delays, cancellations, and baggage issues.
