# District-Led Textiles Transformation (DLTT) Plan

Published On: 09-01-2026

News Context: Unveiled at the National Textile Ministers Conference in Guwahati (Jan 2026).

Category	Target	Strategy
Champion Districts	100	Focus on Industry 4.0, direct export linkages, and Mega Common Facility Centres.
Aspirational Districts	100	Focus on Foundational Skilling, raw material banks, and SHG integration.

- Purvodaya Convergence: Special emphasis on North-East India for tribal development and GI tagging.
- Vision: To reach a \$350 billion textile market size by 2030.
- Wholistic Insight: Relate this to the "5F" Formula (Farm to Fibre to Factory to Fashion to Foreign) and the PM MITRA parks.
