Government meets fiscal deficit target of 4.5% for FY25

Published On: 31-05-2025

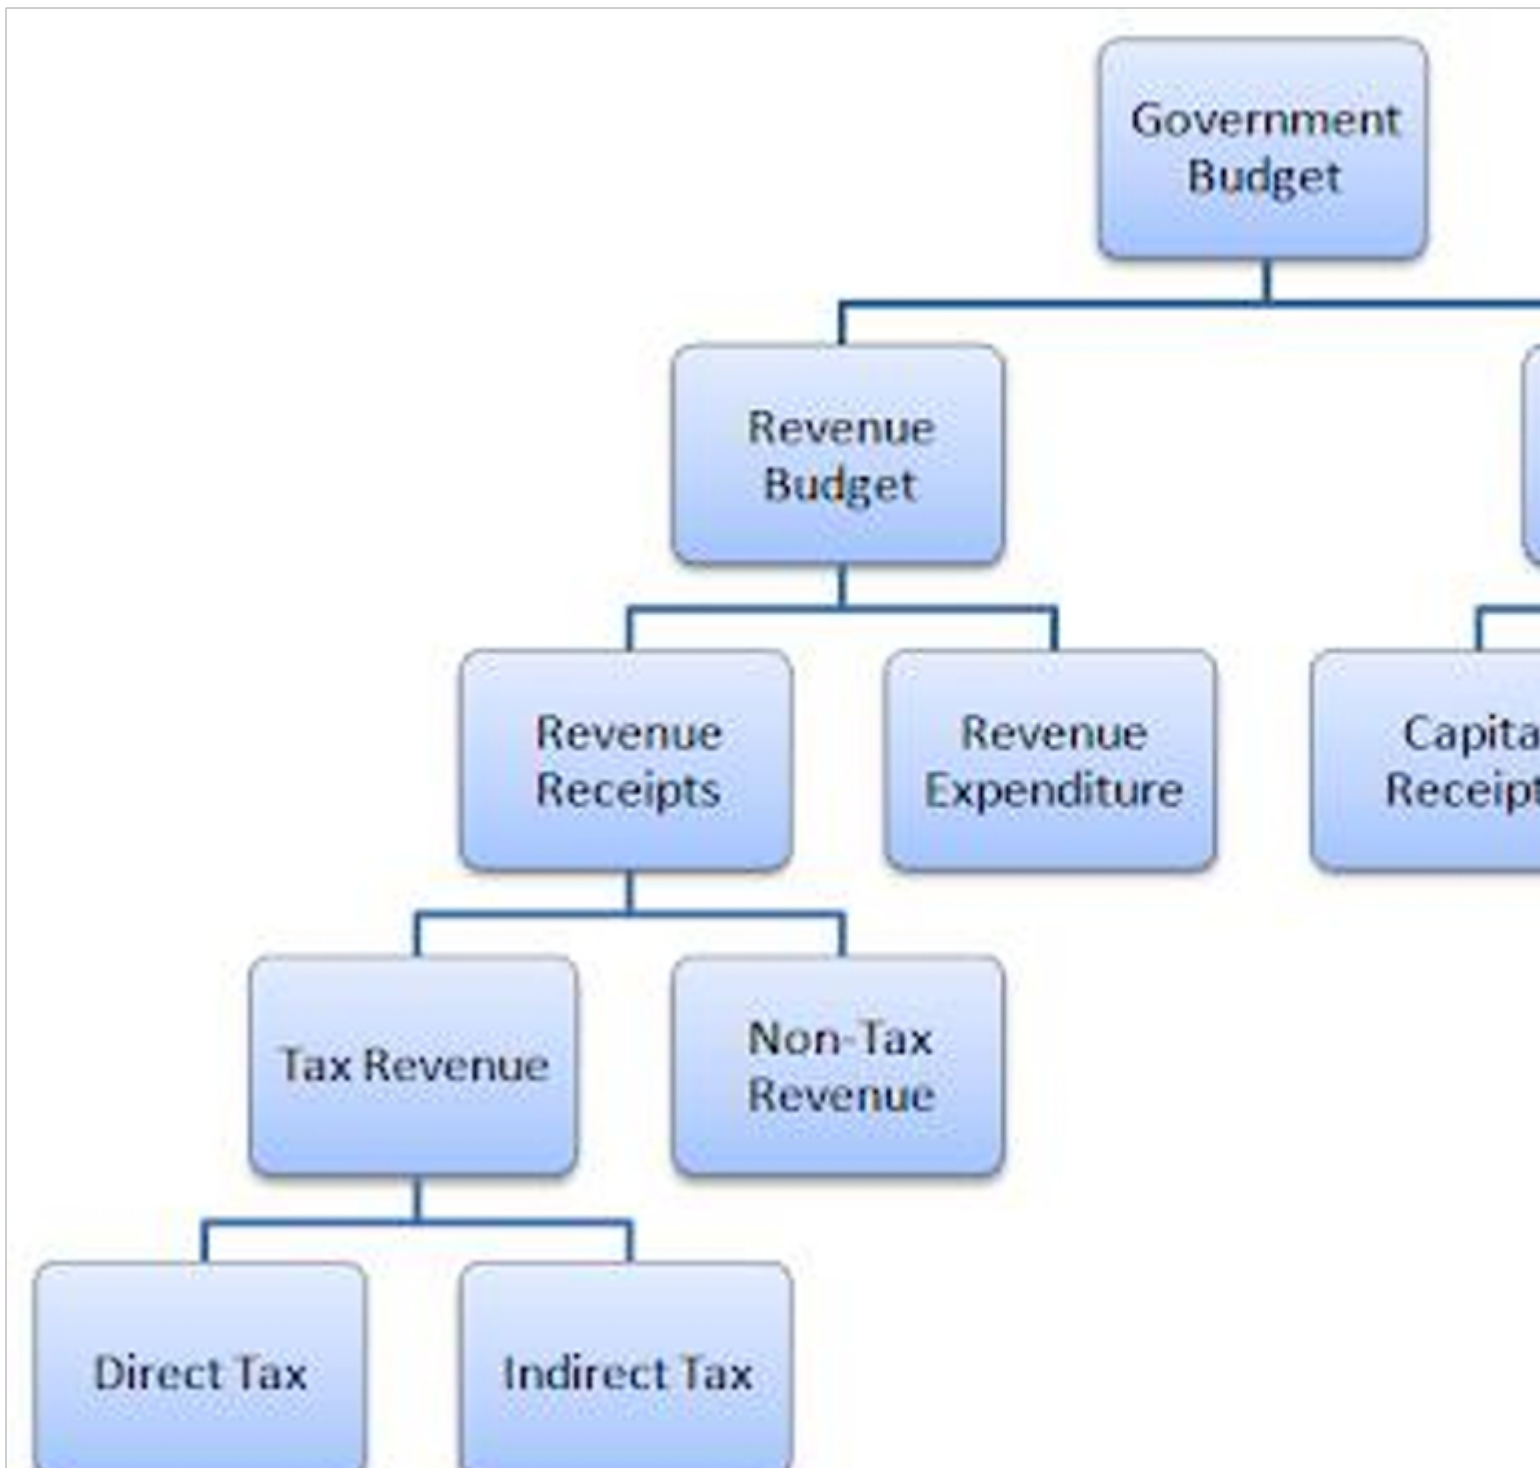

Context

- The Government of India has **met its fiscal deficit target of 4.8% of GDP in 2024-25** though total receipts came in slightly lower than expected, as per data released by the Controller General of Accounts.
- The Centre's total revenue — counting tax, non-tax and capital receipts — came in at ₹30.78 lakh crore in 2024-25 or 97.8% of its revised estimates for the year. Total expenditure stood at ₹46.55 lakh crore, also 97.8% of the estimates.
- The **fiscal deficit, the difference between total expenditure and total revenue**, at ₹15.77 lakh crore, stood at 4.8% of GDP based on the latest provisional estimates for the year.
- As part of the **Centre's fiscal consolidation glide path**, Finance Minister Nirmala Sitharaman had, in Budget speech in February, **targeted fiscal deficit of 4.4% of GDP for FY26**.
