India to Host Centenary Commonwealth Games 2030

Published On: 27-11-2025

India has successfully secured the hosting rights for the 100th (Centenary) Commonwealth Games in 2030, marking a significant milestone in the nation's sporting history.

About the Commonwealth Games:

Nature: A quadrennial multi-sport event among Commonwealth nations, first held in 1930.

India's History: Previously hosted the XIX Commonwealth Games in 2010.

Significance:

Sports Diplomacy: Enhances India's global sporting stature and soft power.

Infrastructure Development: Boosts sports infrastructure, urban development, and tourism in the host cities.

Youth Engagement: Encourages grassroots sports participation and development of athletes.

Economic Impact: Promotes investment, job creation, and international collaborations
