

Intellipaat Partners with IndiaAI Mission to Launch 'YUVAi for ALL' for AI Literacy

Published On: 16-11-2025

In November 2025, **Intellipaat**, one of India's leading Artificial Intelligence (AI) -driven learning and upskilling platforms, has partnered with the **IndiaAI Mission**, an initiative under the Ministry of Electronics and Information Technology (MeitY), to launch the nationwide '**YUVAi** (Youth for Unnati and Vikas with AI) **for ALL**' programme aimed at accelerating AI literacy across India.

Key Details of Partnership:

Aim: The collaboration supports the Government of India (GoI)'s vision to **empower 10 million citizens** with foundational AI competencies by January **2026**.

Focus: The initiative focuses on building an AI-ready workforce and enhancing digital capabilities among students, educators, and working professionals.

Training : Under the partnership, Intellipaat will provide free training in AI and Generative AI to participants across India.

- Learners will also receive Government-recognized certificates, strengthening their credibility in emerging tech domains.

Programme: Offers AI awareness workshops, demonstrations of Generative AI tools, community learning drives, and foundational AI literacy e-learning resources.
