National Security Strategies Conference 2022

Published On: 18-08-2022

Union Home Minister have inaugurated two-day National Security Strategies (NSS) Conference 2022, in New Delhi

The NSS Conference brings a unique mix of top leadership addressing national security challenges alongside cutting edge Police officers/Security practitioners and experts from specialized fields.

Deliberations were to be held on various subjects of national security, including counter-terrorism, radicalisation, issues pertaining to crypto currencies, counter rogue drone technology and challenges posed by Maoist outfits.

In the background of this, **National Automated Fingerprint Identification System (NAFIS), developed by NCRB was launched.**

This System will help in quick and easy disposal of cases with the help of centralized finger print database.

The **Indian Version of Automated Fingerprint Identification System (AFIS) is called FACTS**, which was co-developed, by NCRB and CMC Ltd.,India,

The current version of **FACTS is 5.0.**

The system uses Image Processing and Pattern Recognition technique to capture, encode, store &match fingerprints, including comparison of chance prints.

FACTS also stores non-fingerprint information or demographic details like gender, region and conviction details.
