National Unity Day:

National Unity Day is celebrated in India **on 31 October**. It was introduced by the Government of India in 2014.

The day is celebrated **to mark the birth anniversary of Sardar Vallabhbhai Patel** who had a major role in the political integration of India.

The official statement for National Unity Day by the Home Ministry of India cites that the National Unity Day "will **provide an opportunity to re-affirm the inherent strength and resilience of our nation to withstand the actual and potential threats to the unity, integrity, and security of our country**.

31 October is also celebrated as **Rashtriya Sankalp Diwas or National Pledge Day** as it **marks the day of assassination of Indira Gandhi**.

Several schools and colleges, especially in Congress-run states, organize rallies and programmes in remembrance of Indira Gandhi.

Meri Maati Mera Desh:

Meri Maati Mera Desh campaign is a **tribute to the Veers and Veeranganas** who have **made the supreme sacrifice** for the country.

In the spirit of Jan Bhagidari, the campaign comprises many activities and ceremonies conducted across the country at Panchayat/Village, Block, Urban Local Body, State and National levels.

The activities included **building of Shilaphalakam** (Memorial) to express heartfelt gratitude to all the bravehearts who have made the supreme sacrifice; **'Panch Pran' pledge** taking by the people at Shilaphalakam; planting of saplings of indigenous species and **developing 'Amrit Vatika' (Vasudha Vandhan)** and felicitation ceremonies for honouring the freedom fighters and the families of deceased freedom fighters (Veeron ka Vandan), among others.

MY Bharat:

'**Mera Yuva Bharat** (MY Bharat) is being established as an **autonomous body** to serve as a one stop whole-of-government platform for youth of the country.

In line with the Prime Minister’s vision to provide equitable opportunities to every youth of the country, MY Bharat will leverage technology to provide an enabling mechanism across the entire spectrum of the Government so that they can realise their aspirations and contribute in building of **‘Viksit Bharat’**.

The aim of MY Bharat is **to inspire youth to become community change agents and nation builders**, and enable them to act as the ‘Yuva Setu’ between the Government and the citizens. In this sense, ‘MY Bharat’ will provide a major boost to ‘Youth Led development’ in the country.
