# PM E-DRIVE Scheme

Published On: 13-09-2024

## Why in news?

The Union Cabinet has approved the **PM Electric Drive Revolution in Innovative Vehicle Enhancement (PM E-DRIVE)** Scheme to *promote electric mobility in India*.

- The scheme, with an **outlay of Rs 10,900 crore over two years**, aims to *expedite EV adoption, improve air quality, and reduce the environmental impact of transportation*.

## PM E-DRIVE Scheme Details

- The scheme has been **proposed by the Ministry of Heavy Industries**.
- The scheme has an outlay of **Rs 10,900 crore** over two years.
- It aims to promote electric mobility across the country.
- The scheme will **replace the existing FAME programme** that ran for nine years till March, 2024.
- However, under the scheme **there is no support for electric cars**.
- It has **also excluded hybrid cars**.

## Key Features of the PM E-DRIVE Scheme

Feature	Description
