

# Shyok Tunnel

Published On: 10-12-2025

Context: India's Defence Minister inaugurated 125 Border Roads Organisation (BRO) infrastructure projects, including the strategically crucial Shyok Tunnel in eastern Ladakh.

Cut-and-cover tunnel, 920 m long, located at >12,000 ft altitude.

Built on the Darbuk–Shyok–Daulat Beg Oldie (DS-DBO) Road, eastern Ladakh.

Near the Line of Actual Control (LAC) with China.

Part of 125 BRO infrastructure projects inaugurated by India's Defence Minister.

DS-DBO Road = only surface link to Daulat Beg Oldie (DBO), India's northernmost military outpost.
