The Culmination Ceremony of the 75th Anniversary of the National Sample Survey (NSS)

Published On: 20-11-2025

The **Culmination Ceremony of the 75th Anniversary of the National Sample Survey (NSS)**, along with the observance of **World Statistics Day**, was recently held in **Udaipur, Rajasthan**.

The event was organised by the **Ministry of Statistics and Programme Implementation (MoSPI)**, marking the close of a year-long commemoration of India's statistical system.

Key Highlights of the Ceremony

1. Release of NIC 2025

MoSPI unveiled the **National Industrial Classification (NIC) 2025**, an updated statistical standard used for **classifying economic activities** across industries.

It ensures harmonisation with emerging sectors, digital industries, and global classification systems.

2. Launch of the Data Innovation Lab Portal

A new **Data Innovation Lab Portal** was launched to:

- Promote **innovation in official statistics**,
- Enable applications of **AI, machine learning (ML)** and advanced analytics,
- Improve data-driven policy design.

3. Thematic Sessions

Expert sessions focused on:

- Strengthening **field communication strategies**,
- Demonstrating the new **Computer-Assisted Personal Interviewing (CAPI)** system,
- Enhancing data quality, timeliness, and transparency.
