Ukrainian Town –Vuhledar

Published On: 03-10-2024

Why in news?

Vuhledar - which means '**gift of coal**' - is a coal mining town in eastern **Ukraine's Donetsk region** with a pre-war population of around 14,000 people, nearly all of whom have fled.

Russian troops are in complete control of the town of Vuhledar in Ukraine's eastern Donetsk region that has resisted Russian assaults for more than two years.

The town has **been a focal point in the ongoing conflict in Ukraine**, especially since 2014.

In addition to its industrial background, **Vuhledar is notable for its scenic landscapes** and **proximity to the steppe**.

The area has faced challenges due to the conflict, impacting its infrastructure and the lives of its residents.
