# Union Minister Dharmendra Pradhan Inaugurates AI Incubation Centre at DPS in New Delhi, Delhi

**Published On: 17-11-2025**

On November 14, 2025, Union Minister**Dharmendra Pradhan**, Ministry of Education (MoE), inaugurated a first-of-its-kind Artificial Intelligence (AI) Incubation Centre at Delhi Public School**(DPS)**at RK Puram in New Delhi, Delhi.

## About AI Incubation Centre:

**Developer:**The AI incubation center has been developed by Voice, Video, Data, and Network (VVDN) Technologies Private Limited, in collaboration with Google Cloud.

**Technologies:**The center will use the AI platforms of Google Cloud, including Vertex AI and Gemini Enterprise. The students will have access to humanoid and companion robots such as AI RoBOt (AIBO), Unitree G1, Augmented Reality (AR)/ Virtual Reality (VR) glasses, Internet of Things (IoT) kits and Raspberry Pi systems.

**Target:**It is designed to support students from Class 6 and above and serve neighboring government schools.
