

Comprehensive Year-Long PSIR Optional Test Series

The **Comprehensive Year-Long PSIR Optional Test Series** at Kamaraj IAS Academy is designed to help aspirants master Political Science & International Relations through structured testing, expert evaluation, and continuous mentorship. As a trusted destination for **Political Science Optional Coaching**, we provide a systematic preparation plan aligned with the UPSC Mains examination.

The program includes topic-wise, sectional, and full-length tests covering the complete PSIR syllabus. Every answer is evaluated by experienced faculty with detailed feedback to improve conceptual clarity, analytical thinking, answer structure, presentation, and writing skills.

Our **PSIR Optional Test Series** integrates current affairs with the syllabus, helping students enrich their answers using contemporary examples, constitutional provisions, political thinkers, and international developments. UPSC-standard model answers, regular performance reviews, and personalized mentoring ensure continuous improvement throughout the year.

For aspirants seeking quality **UPSC Coaching in Chennai**, Kamaraj IAS Academy offers a result-oriented learning environment with expert guidance, systematic revision, and rigorous practice. Strengthen your PSIR Optional preparation with a comprehensive test series designed to maximize your UPSC Mains performance.
