Today more than 45 crore ABHA IDs have been created, 2,19,546 Health Facilities have been registered, and around 2,28,794 Healthcare Professionals have been on boarded under ABDM, which shows that health services are being saturated, including by use of digital tools.

Union Health Secretary said, "Around 60% of the amount has been used for tertiary care hospitalization, which had been one of the aims of PM-JAY when it was launched." He added that 177 Ayushman PMJAY cards are being made per minute, with 30 hospital admissions per minute. He stated that 48% of hospitalisations are women beneficiaries, whereas 8 hospitals are being empanelled per day, on an average.
