Published On: 30-11-2022

Why is in news? India has emerged as a net security provider in Indo-Pacific, says Raksha Mantri at multi-agency HADR exercise 'Samanvay 2022' in Agra

It is an **annual joint exercise** involving various stakeholders from **India and representatives from the Association of Southeast Asian Nations (ASEAN) counties**.

It aims to **assess the efficacy of institutional disaster management structures** and contingency measures.

The exercise also aims to **provide a unique platform** for exchange of domain knowledge, experience and best practices with the participating ASEAN member countries.

Samanvay 2022 will promote a **synergistic approach towards Humanitarian Assistance and Disaster Relief (HADR)** by various national and regional stakeholders involved in Disaster Management including the Civil Administration, the Armed Forces, National Disaster Management Authority (NDMA), etc.

This **multi-agency engagement** is expected to contribute in the evolution of institutional frameworks for effective communication, interoperability, cooperation and their application for successful conduct of HADR.
