Published On: 20-08-2024

Context:

Union Minister of Health & Family Welfare and Chemicals & Fertilizers Shri JP Nadda inaugurates **‘First Policy Makers’ Forum’ in New Delhi.**

An international delegation of policymakers and drug regulators from 15 countries is participating in the forum hosted by the **Indian Pharmacopoeia Commission** in collaboration with the Ministry of Health & Family Welfare and the Ministry of External Affairs.

The forum aims to foster meaningful discussions on the recognition of the IP and the implementation of India’s flagship **Pradhan Mantri Bhartiya Janaushadhi Pariyojana (PMBJP)**, popularly known as the **Janaushadhi Scheme.**

“India has always been the **world leader in the production and supply of vaccines** contributing to approximately 60 percent of the global supply of vaccines.”

And also the World Health Organization **procures 70 percent of its vaccine demand from India.**

Indian Pharmacopoeia Commission

- It is an autonomous Institution of the **Ministry of Health and Family Welfare**, Govt. of India.
- It is created to set **standards of drugs** in the country.
- **Functions:**

Its basic function is to **update regularly the standards of drugs commonly required for treatment of diseases prevailing in this region.**

It publishes official documents for improving **Quality of Medicines** by way of adding new and updating existing monographs in the form of Indian Pharmacopoeia (IP).

It further promotes rational **use of generic medicines by publishing National Formulary of India.**

It prescribes standards for identity, purity and strength of drugs essentially required from the health care perspective of human beings and animals.

It also **provides IP Reference Substances (IPRS)** which act as a fingerprint for identification of an article under test and its purity as prescribed in IP.
