India moving citizens in Iran , Israel to safer places

Published On: 17-06-2025

Context

• Israel's unprovoked aggression against Iran has not only plunged **West Asia into its gravest regional crisis** since the **1973 Arab-Israeli war** but also pushed the Jewish nation into an unprecedented security calamity.

• If Prime Minister Benjamin Netanyahu expected the June 13 attack on Iran, hitting its nuclear facilities and assassinating its top generals and nuclear scientists, to cripple Tehran — like how **Israel destroyed the Egyptian air force on June 5, 1967 during the Six Day War** — he appears to have made a **mistake.**

• **Iran, in a swift and forceful response, rained ballistic missiles** on Israeli cities. Until Monday morning, it had fired over 370 missiles, hitting an **oil refinery in Haifa**, a top research institute in Rehovot near Tel Aviv and even residential areas.
