Mission Karmayogi:

The **National Programme for Civil Services Capacity Building (NPCSCB) - Mission Karmayogi** aims to create a competent civil service rooted in Indian ethos, with a shared understanding of India's priorities, working in harmonization for effective and efficient public service delivery.

The Mission **seeks to keep the civil service at the center of all change, empowering them** to deliver in challenging environments.

The focus of NPCSCB is also on **enhancing the government-citizen interaction**, with officials becoming enablers for citizens and business, with development of Behavioural-functional-domain competencies leading to ease of living and ease of doing business.

Thus, by design, Mission Karmayogi **adopts a citizen-centric approach for civil service reforms**.

Designed as a six-pronged initiative, NPCSCB lays emphasis on developing the potential of officials, training institutes and the government.

It re-energizes key aspects in the **capacity building and HR management structure** in government, including regulation and governance.

On **2nd September 2020**, Government approved the National Programme for Civil Services Capacity Building (NPCSCB) with six key pillars.

The Programme will **cover all civil servants (including contractual employees)** across different ministries, departments, organizations and agencies of the Union Government.
