Smart India Hackathon 2022

Published On: 24-08-2022

Smart India Hackathon was **started in the year 2017**.

Smart India Hackathon is a nationwide initiative to **provide students a platform to solve the pressing problems of society, organizations, and government**.

It is **world's biggest open innovation platform**.

It aims to inculcate the **culture of product innovation, problem-solving, and out-of-the-box thinking among students**.

This year, **Smart India Hackathon - Junior** has also been introduced as a pilot for school students to build a **culture of innovation and develop problem-solving attitude at the school level**.
